Thank you so much for your generous donation of towels, washcloths, toiletry items, cleaning supplies & paper goods for our soup kitchen & food pantry. We were so excited the day we received them. It was like Christmas, opening presents and "oohing" and "aahing" over each thing! How wonderful of all of you to contribute to those less fortunate. Each and every item that we received will be put to good use. We washed the kitchen towels and washcloths that day, put them to use, and were able to discard the worst of the ones we'd been using. What a treat!

We are able to continue our mission to serve the poor and disadvantaged of the Southwest Detroit area because of the generosity of donors such as you who make helping us a priority. We are always grateful to receive items such as you donated for the use of our clients. Our clients are even more grateful! So often I hear "Thank you so much for this help. We really need it right now!" When I hear that I tell them "I'm just the one who helps to distribute it. It is our generous donors who make it possible for us to help you."

So from all the clients who have thanked me, I would like to pass on their thankfulness and appreciation to you.

God bless you for your generous heart.

Sincerely,

Denise M Balogh
