The Mother/Daughter and Father/Son Programs explore God's special gift of human fertility and the beauty and wonder of God's plan for growing up and becoming a woman or man in the context of Pope John Paul II's teaching on the *Theology of the Body*. Topics include: the changes in a young woman's (man's) body as it prepares for motherhood or fatherhood; the onset of ovulation and subsequent menstrual periods; the functions of the female (or male) reproductive system; the sacredness of human life; the virtue of chastity; and a confidential question and answer segment.

The purpose of the programs is to provide an atmosphere of love and learning to discuss the important topic of growing up and to establish a foundation for continued communication between parent and child. The programs are presented by users and teachers of Natural Family Planning and emphasize respect, understanding and appreciation for God's gifts.

Pro-life and chastity support information will be available as well as a resource sales table.

Cost is \$17 per family per program (non-refundable). Please complete the reservation form below. For further information contact Mrs. Debbie Bloomfield, (734)283-9753 or motherdaughterprogram@gmail.com. Sponsored by the OLMC Education Commission.
